### **FEAST OF SAINT LITTLE FLOWERS THERESE Oct. 1st.**

Therese saw the seasons as reflecting the seasons of God's love affair with us. She loved flowers and saw herself as the "little flower of Jesus," who gave glory to God by just being her beautiful little self among all the other flowers in God's garden. Because of this beautiful analogy, the title "little flower" remained with St. Therese.

Her inspiration and powerful presence from heaven touched many people very quickly. She was canonized by Pope Pius XI on May 17, 1925. Had she lived, she would have been only 52 years old when she was declared a Saint.

"My mission - to make God loved - will begin after my death," she said. "I will spend my heaven doing good on earth. I will let fall a shower of roses." Roses have been described and experienced as Saint Therese's signature. Countless millions have been touched by her intercession and imitate her "little way." She has been acclaimed "the greatest saint of modern times." In 1997, Pope John Paul II declared St. Therese a Doctor of the Church - the only Doctor of his pontificate - in tribute to the powerful way her spirituality has influenced people all over the world.

The message of St. Therese is beautiful, inspiring, and simple. Please visit the areas in this section of the Web site to learn more about this wonderful Saint.
